Electronic Devices (including, but not limited to, cell phones)

We encourage and support healthy social interaction in the summer. Campers develop important life skills at camp, including coping mechanisms, social skills, independence, and conflict resolution. We appreciate your partnership in helping campers adhere to the following strictly enforced camp rules:

- No cell phones are allowed in camp. If you send your child with a cell phone for the trip to camp, it MUST be turned in to our office upon arrival, where it will be locked in the camp safe and returned (charged) to your camper before boarding the bus home. We will supply Eidah Daled campers with emergency phone for hikes as needed.
- No electronic devices with video or gaming capacity are allowed in camp (including iPods with video, Kindle Fires, laptops, iPads, and all similar devices). No gaming systems are allowed in camp.
- We allow music-only devices and reading-only devices, though they may be used only during down time and not during regular programming hours. We will remove and store music devices that contain inappropriate music/lyrics, so please review the music choices that are on your child's device prior to sending to camp.
- We do allow cameras. Use of a smartphone or other device with multiple capabilities as a camera is not allowed.

Moshava Alevy assumes no responsibility for wear and tear, damage to, or loss of campers clothing, equipment or belongings. We recommend that you do not send any expensive items, (i.e., high-end cameras, watches, electronic games, jewelry, fancy clothing, etc.) to camp as we will not be responsible for loss or damage. The insurance policy carried by Moshava Alevy does not cover these items.
